KEY FACTS

This '**Key Information Fact Sheet**' (Key Facts) provides you with important information about our service to assist you in determining whether the KYN home you are considering is an appropriate choice for you.

If you consider that you or a family member may want to move into the home, we will also provide you with our **Terms and Conditions** before you make your decision. You may request a copy of our Terms and Conditions at any stage.

Our Care

AT KYN WE PRIORITISE THE PERSON

We believe truly personalised, exceptional care can only take place once deep consideration has been given to your individual identity. We embrace the person you once were and the person you are today.

Once you have decided to move to a KYN home, we undertake an in-depth assessment to allow us to learn as much as possible about the life you have lived, your interests, outlook and clinical conditions. Only then can we begin to build a bespoke plan tailored to your specific needs.

The care we provide is suitable for a range of needs. Each resident will be assessed on an individual basis and will be provided with an individual care plan that is monitored and reviewed regularly.

The types of care we offer are Residential, Nursing, Dementia, Respite and Palliative.

Our Staffing

Our household system's focused attention and knowledge of each resident's character and medical profile enables KYN to deliver the highest standards of care. Upon a detailed assessment, we create a bespoke care plan and assign each resident a dedicated nurse, senior carer, and support team to care for them.

In addition, each home has a dedicated hospitality team to deliver the highest standards of service to all our residents and their guests. With a team focused solely on delivering hospitality, our carers can focus on spending quality time with our residents.

At KYN we prioritise the building of relationships and, from strong relationships, excellent care flows.

Our homes are staffed with exceptional levels of qualified, skilled, and experienced team members with staffing levels reviewed regularly to ensure the care needs of our residents are met.

Our Bedrooms

All bedrooms and suites are supplied with bespoke furniture, custom artwork, en suite facilities, interactive television, and internet access as a standard. They are designed for single occupancy; however shared rooms can also be accommodated within certain room types. Telephones can be installed if required.

We encourage residents to bring any personal effects to tailor their room to their individual tastes, and our Home Manager is available to assist you with facilitating this and any other additional requirements.

Our Fees and Charges

Self-funding residents will be charged a weekly fee.

Details of these fees are outlined in our Fees Information Leaflet. These fees are intended to provide a guidance only. All prices are subject to an individual care needs assessment and the type of room and services chosen.

If you or a family member choose to move into a KYN care home, we will enter into a legal agreement under which both parties will have rights and obligations. Please refer to our Fees Information Leaflet for more details.

FUNDING ARRANGEMENTS

Self-funding residents will be asked to complete a financial assessment to show how long they will be able to fund their own care for.

NHS Funded Nursing Care Contributions (FNC):

FNC payments are a contribution paid by the NHS to residents who require nursing care following an eligibility assessment. The payments are made as a contribution to the nursing care provided by registered nurses employed by KYN.

The weekly fees we charge for nursing care are inclusive of FNC contributions. If you receive FNC payments the amount you receive will be deducted from the Total Fee and you will be charged the balance. You will remain liable for the Total Fee if FNC payments are withdrawn/stopped.

Next of kin or representatives liability under the contract:

If a resident lacks the mental capacity to enter a contract and they do not have a Power of Attorney, a family member or representative may enter the contract agreeing for us to provide care to the resident. In these circumstances the family member/representative will be required to enter into an agreement whereby they are responsible for the ongoing payment of fees.

GUARANTOR

We may require a guarantor to enter into a Guarantor Agreement with us. The Guarantor will be responsible for paying the fees in the event of default by the resident. The Guarantor will remain liable to pay the fees until the contract is terminated.

If you receive Changes to Funding Arrangements:

If there is a change in your eligibility for public funding:

1. In the case of local authority funding eligibility, we may require an additional payment to meet the shortfall between our fees and the funding you are entitled to. In such cases, you or a family member may have to pay an additional fee to meet the difference. If you or a family member are unable or unwilling to pay this additional fee, we may have to terminate your placement.
2. In the case of NHS continuing health care funding eligibility as we are not entitled to charge for the shortfall between the rates paid by the NHS and our fees, you will have a choice: to either stay in our home and continue to meet our fees in full or move to a different care home that is able to accept the NHS rates.

FEE INCREASES

We review our fees annually on 1st January. We increase our fees by CPI + 3.5% per annum.

Where a resident is admitted between the 1st of October and the 31st of December, the weekly fee will not be increased in the following January.

In addition to the annual fee increase, we will carry out a review of our fees. Should there be a change in any legal requirements to which KYN is subject, and which lead to an immediate increase in its costs, or if there is an increase in our costs as a consequence of a pandemic, or a resident's needs materially change it may be necessary to increase our fees.

We will provide you with notice before increasing your fee. If it is not accepted, we will give you the option to terminate our agreement without penalty.

The background of the entire page is a repeating, light-colored geometric pattern of stylized fan or leaf shapes. Overlaid on this pattern is a lush, detailed illustration of a tropical jungle. It features two large, vibrant blue-green birds with long, curved beaks, one in the upper left and one in the lower right. The foliage includes large green leaves, clusters of bright red flowers, and delicate white blossoms. Small details like a brown dragonfly and a green frog are also visible within the plant life.
